The Ann Hall Memorial Scholarship honors our long-time Fogarty Center employee and Richmond, RI resident who passed suddenly in the fall of 2021. Ann had an infectious presence about her that exemplified human kindness and a subtle professionalism that brought us all closer together. These qualities embodied every characteristic that separated Ann apart as a true leader. This scholarship, while continuing a legacy on honoring a wonderful person, is intended to inspire graduating students to understand the profound personal and life-long impact that can be obtained by pursuing a career in which you give of yourself to others.
