Dear Ashaway Elementary Alumni,

We are very proud that you are about to graduate from Chariho High School and plan to continue your education. You may have graduated from Ashaway Elementary School a long time ago, but we never stop caring about the success of our students. Therefore, the Ashaway Elementary School Parent-Teacher Organization would like to award one or more deserving Ashaway Elementary Alumni with up to \$1000 in scholarships.

The following is a list of requirements you must meet in order to apply for this scholarship:

1. You must have attended Ashaway Elementary School from September of third grade through June of fourth grade.
2. You have been accepted by an accredited postgraduate school and will attend beginning no later than September 2024.

Please note that this scholarship is not based in financial need and that we require a letter of recommendation from at least one teacher and a copy of your transcripts to verify that you are a consistent student and have a reasonable chance to graduate from your chosen postgraduate school.

Please complete the attached application and submit it no later than Friday May 1, 2024. Please mail to:
