

THE MICHAEL ALAN JOHNSON MEMORIAL SCHOLARSHIP

Michael Alan Johnson was a wonderful and compassionate person. He had a great sense of humor and loved to make people laugh. One of the things he loved most in life was music. Playing his guitar and listening to his favorite music brought him enjoyment and comfort. Michael was only 18 years old when he died. He would be very happy and proud to know that through this scholarship he is helping another person accomplish his or her dream.

To honor Michael's memory, his family and friends have established this scholarship to be awarded to a high school senior who is pursuing a career in music or art. Students who have been involved with the music or art programs during their years at Chariho High School but are not pursuing a career in these areas will also be eligible.
