SUBJECT: Recommendation of Commissioning Agent

Per RI MPA 462 The Rhode Island Department of Education (RIDE) School Construction Regulations require that all school construction projects procure the services of an independent engineering Commissioning Agent. Commissioning is the process of ensuring that systems are designed, installed, functionally tested, and capable of being operated and maintained to perform in conformity with the design intent of a project. The Commissioning Agent must be secured prior to the design phase of the project.

I would like to recommend that Chariho Regional School District hire Colliers International Valuation & Advisory Services as their Commissioning Agent to work on the 5-year Capital Improvement Plan and included projects. Capital project funds not to exceed \$100,000 are to be used to pay per the attached Rhode Island Master Price Agreement (RI MPA).

Thank you.
