A Message from our Superintendent

"Our community, educators, staff, and administrators continue to put the needs of our children at the center of every decision. Our goal is to strengthen our work, and to ensure we engage our community as partners in our District."

The 2021-2022 School year was filled with many amazing highlights and recognitions. We continue to be proud of the amazing accomplishments of our students and staff. We strive every day to enhance our programming so that our students have many opportunities to excel.

We actively pursue grant opportunities to support performing arts, health, security, science, and much more. Our district received over \$300,000 in grants throughout this past year.

Chariho High School is ranked 8th across the state, was named the High School Athletics Program of the year, and was one of five districts recognized for an ongoing commitment to Advanced Placement courses.

All of our schools remain focused on increasing student achievement and have worked all year to incorporate curricular resources that will support all students and ensure access to a rigorous curriculum.

We remain committed to our District Mission which states, "The Chariho Regional School District ensures that all students meet high academic standards and are prepared for lifelong learning and productive global citizenship." We also believe strongly in our District Vision: "With a commitment to continuous improvement, the District's highly-qualified staff engages with students in state-of-the-art facilities to master challenging content, to promote creativity, and to foster critical thinking. The District is recognized by the community as its greatest asset".

Our community, educators, staff, and administrators continue to put the needs of our

children at the center of every decision. Our goal is to strengthen our work, and to ensure we engage our community as partners in our District.

Our Annual Report is designed to provide important information on policy, events, and our calendar. This report is used to showcase the fantastic accomplishments of our students and staff. If you would like to receive a paper copy of this Annual Report, please call 401-364-7575 and one will be sent to you. Please feel free to reach out to me for any reason. I can be reached by phone at 401-364-7575 or by email at gina.picard@chariho.k12.ri.us. Remember to follow us on Twitter @CharihoRegional and for all updates and district information you can visit our website at www.chariho.k12.ri.us.

On behalf of the Chariho Regional School District, we remain focused on communication, transparency, and supporting all of our students, as we all strive for another successful school year.

Enjoy the remainder of the summer!

Vision 2023-Strategic Plan

Priority Area 1: Striving for Excellence

Priority Area 2: Healthy, Safe, & Flexible Learning Environments

Priority Area 3: Voice and Choice for Students and Staff

Priority Area 4: Improve Postsecondary Outcomes

Priority Area 5: Global Citizenship

Priority Area 6: Partnerships Across the Community

Members of the District and school community came together in the Fall of 2018 to draft the above strategic plan, Vision 2023, which focuses on six priority areas through 2023.

Safety and Technology Updates

Deputy EMA Director and School Committee Member Bill Day represented Richmond as a torchbearer at Waterfire in Providence. He was nominated for his tireless work in the Chariho community.

The safety and security of our students and staff are a top priority. The past year has seen many changes and additions in the District to ensure our students are safe and secure on and off school grounds:

- Provided all students with devices per our 1:1 initiative
- Updated School Security District-wide
- Upgraded indoor wireless access at all schools
- Received a small safety grant to purchase safety equipment from The Trust
- Increased coordination with local and regional first responders

Thank you to the Charlestown Police and Rescue who cooked and played Kickball at Charlestown Elementary School's 4th Grade Picnic

AFFIRMATIVE ACTION POLICY

In accord with Rhode Island General Law 28-5.1, and applicable federal law, it is the policy of the Chariho Regional School District not to discriminate on the basis of age, sex, marital status, race, religion, genetic information, national origin, color, political affiliation, veteran status, sexual orientation, gender identity or expression, or disability (including pregnancy) in its employment practices. Employment practices include, but are not limited to, posting of vacancies, recruitment, hiring, training, transfers and promotions. 2021-2022 AP[®] Results

Chariho High School is proud to offer 23 Advanced Placement (AP)[®] courses, which is one of the highest numbers of offerings in any high school in the state. Our AP enrollment is open to all students who want to challenge themselves without the need for a teacher recommendation. In 2022, 75% of all Chariho AP students scored a 3 ("Qualified") or above on their AP exam. A score of "3" or "Qualified" means that a student is capable of doing the work of an introductory college course in a particular subject.

Here is a listing of Chariho's AP course offerings:

- | | |
|-----------------------------------|---------------------------------------|
| 1. AP Art History | 13. AP Physics 1 |
| 2. AP Biology | 14. AP Physics 2 |
| 3. AP Chemistry | 15. AP Psychology |
| 4. AP Calculus AB | 16. AP Research |
| 5. AP Computer Science A | 17. AP Spanish Language and Culture |
| 6. AP Computer Science Principles | 18. AP Spanish Literature and Culture |
| 7. AP European History | 19. AP Statistics |
| 8. AP French Language and Culture | 20. AP Studio Art: 2D Design |
| 9. AP Language and Composition | 21. AP Studio Art: 3D Design |
| 10. AP Literature and Composition | 22. AP Studio Art: Drawing |
| 11. AP Microeconomics | 23. AP US Government |
| 12. AP Music Theory | |

This is the fifth year in a row that 90% or more of our AP Computer Science Principles students scored a 3 or above on their exam. In 2022, the Rhode Island average was 59.3% and the global average was 63.5%.

This is the fourth year in a row that 80% or more of our AP Biology students scored a 3 or above on their exam. In 2022, the Rhode Island average was 62.2% and the global average was 67.9%.

96.3% of our AP English Literature students scored a 3 or better on their AP exam, greatly surpassing the RI data of 78.5% and the Global data of 77.9%.

77.8% of our AP US Government students scored a 3 or better on their AP exam, greatly surpassing the RI data of 53.4% and the Global data of 48.6%.

100% of our AP Drawing and AP 3D Art students scored a 3 or better on their AP exam, surpassing both RI and global data.

Chariho Regional Middle School

Chariho Middle School receives Title I funds. Under the Elementary and Secondary Education Act (ESEA) of 1965, as amended by the Every Student Succeeds Act (ESSA) of 2015, parents of children attending the Middle School may request the professional qualifications of their child's teacher(s). Parents may request information related to state certification and licensing criteria, emergency certification, and degrees held as well as information about the qualifications of paraprofessionals. This information is available by calling the Superintendent's office at 364-7575. Section 1111(h)(6)(B)(ii) of the Title I statute requires that schools provide timely notice that a parent's child in a participating Title I school has been assigned to, or taught for 4 or more consecutive weeks by a teacher who does not meet state qualifications and licensing criteria.

EDUCATE. EMPOWER. ENGAGE.

The Chariho Youth Task Force is a community-based nonprofit organization that focuses their work on substance use prevention, mental health promotion, and the promotion of healthy lifestyles. Its mission is to educate, empower, and engage youth and adults to create a sense of community, to promote wellness, and to sustain opportunity for Chariho voices to be heard.

Educate:

- Provides monthly educational prevention retreats for students who break the school's substance use policy
- Provides community-wide education opportunities including substance use education pages available on CharihoYouth.org

Empower:

- Ensures mental health and substance use resources are accessible to all
- Equips volunteers with the skills and opportunities to impact change

Engage:

- Monthly Community Coalition Meetings comprised of first responders, faith leaders, educators, parents, and more.
- Bi-Weekly Youth Ambassador Meetings
- Bi-Weekly Strong Arms Support Group
- Bi-Weekly Community Hikes

Special Education Advisory Council (SEAC)

The Special Education Advisory Committee is composed of individuals involved in or concerned with the education of children with disabilities. Parents of such children compose the majority of the committee membership. Other members include school personnel and representatives of the community. Students with disabilities may also be important members of the committee.

A CMS Unified Basketball game versus Cole Middle School

SEAC meets four times a year. New members are always welcome to attend any meeting. All meetings are at 6 PM in the Middle School Library and are posted on their [webpage](#) at least a week in advance.

Family Educational Rights & Privacy Act (FERPA)

A federal law designed to protect the privacy of a student's education records, FERPA gives parents certain rights with respect to their children's educational records. These rights transfer to the student, or former student, who has reached the age of 18 or is attending any school beyond the high school level. Students and former students to whom the rights have transferred are called eligible students. Parents or eligible students have the right to inspect and review all of the student's education records maintained by the school. Parents and eligible students have the right to request that a school correct records believed to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record commenting on the contested information in the record.

Generally, schools must have written permission from the parent or eligible student before releasing any information from a student's record. However, the law allows schools to disclose records, without consent, to the following parties:

1. School officials who have a need to know;
2. Other schools to which a student is transferring;
3. Certain government officials in order to carry out lawful functions;
4. Appropriate parties in connection with financial aid to a student;
5. Organizations conducting certain studies for the school;
6. Accrediting organizations;
7. Individuals who have obtained court orders or subpoenas;
8. Persons who need to know in cases of health and safety emergencies;
9. State and local authorities, within a juvenile justice system, pursuant to specific state law; and
10. Another school in which a student enrolls.

Parents have the right to file a complaint with the U.S. Department of Education concerning alleged failures by the Chariho Regional School District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202
(202) 260-3887
www.ed.gov/FPCO

Schools may also disclose, without consent, directory type information such as a student's name, address, email address, telephone number, honors and awards, date and place of birth, height and weight of athletes, grade level, photographs, participation in officially-recognized activities and sports, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. If you wish to opt out from the disclosure of directory information, please complete the form at the bottom of the next page and return it to your child's school by the end of September or within one week from date of new student registration.

Chariho Middle School receives Title I funds. Under the Act, parents of children attending the Middle School may request the professional qualifications of their child's teacher(s). Parents may request information related to state certification and licensing criteria, emergency certification, and degrees held as well as information about the qualifications of paraprofessionals. This information is available by calling the Superintendent's office at 364-7575. Section 1111(h)(6)(B)(ii) of the Title I statute requires that schools provide timely notice that a parent's child in a participating Title I school has been assigned to, or taught for 4 or more consecutive weeks, by a teacher who does not meet state qualifications and licensing criteria.

Notification of Rights Under the Protection of Pupil Rights (PPRA) Amendment

PPRA affords parents, students who are 18, or emancipated minors ("eligible students") certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED) -

1. Political affiliations or beliefs of the student or student's parent;
2. Mental or psychological problems of the student or student's family;
3. Sex behavior or attitudes;
4. Illegal, anti-social, self-incriminating, or demeaning behavior;
5. Critical appraisals of others with whom respondents have close family relationships;
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
7. Income, other than as required by law, to determine program eligibility.

Receive notice and an opportunity to opt a student out of -

1. Any other protected information survey, regardless of funding;
2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under state law; and
3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

Inspect, upon request and before administration or use -

1. Surveys of students;
2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
3. Instructional material used as part of the educational curriculum.

The School District has developed a policy, in consultation with parents, regarding these rights, and has made arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. The School District will directly notify parents and eligible students of this policy at least annually at the start of each school year and after any substantive changes are made. Parents of students who believe their rights under PPRA may have been violated may file a complaint with ED by writing the Family Policy Compliance Office. Complaints must contain specific allegations of fact giving reasonable cause to believe that a violation of PPRA occurred.

AFFIRMATIVE ACTION POLICY

In accord with Rhode Island General Law 28-5.1, and applicable federal law, it is the policy of the Chariho Regional School District not to discriminate on the basis of age, sex, marital status, race, religion, genetic information, national origin, color, political affiliation, veteran status, sexual orientation, gender identity or expression, or disability (including pregnancy) in its employment practices. Employment practices include, but are not limited to, posting of vacancies, recruitment, hiring, training, transfers and promotions. Inquiries regarding compliance with equal opportunity and affirmative action may be directed to Kristen Merritt, Human Resources Administrator, 455A Switch Road, Wood River Junction, RI 02894 (364-7575 x2029); (364-1171 TDD); the Office of Equity and Access, 255 Westminster Street, Providence, RI 02903, or US Department of Education, Office for Civil Rights, 5 Post Office Square, 8th Floor, Boston, MA 02109-3921.

School Offender Registration and Community Notification Act

At the beginning of each school year, the Chariho Regional School District is required, under Rhode Island's Sexual Offender Registration and Community Notification Act (R.I. Gen. Laws § 11-37.1-1 et seq.), and in compliance with guidelines issued by the Department of the Attorney General, to submit to local law enforcement agencies a directory of the names and addresses of parents who have children attending schools in Chariho.

The Rhode Island Sexual Offender Registration and Community Notification Act requires certain offenders to be registered with law enforcement agencies and, in certain instances, requires local law enforcement agencies to provide notification to the community.

The Rhode Island Attorney General's Department has issued guidelines for the procedures to be utilized in connection with community notification. Under the Attorney General's guidelines, the Chariho Regional School District is required to submit a directory listing of the names and addresses of parents whose children attend school in the district. In keeping with Chariho's responsibilities under the law and the Attorney General's guidelines, Chariho will be submitting a directory listing of all parents who have children attending schools in Chariho to the local law enforcement authorities.

In the event that a local police department determines that it is appropriate to provide community notification to the parents of children attending school, this directory will be utilized; and you may receive offender fact sheets from the law enforcement agency unless and until you notify Chariho that you wish your name(s) to be removed from the directory or until you no longer have children attending school within the district, whichever comes first.

Below is a form which you may utilize if you choose to opt-out from the disclosure of directory information. If it is your preference not to be listed in the directory, please complete the form, indicating the name(s) of your child or children, your address, and affix your signature(s). Please return the form to your child's school by the end of September or within one week from date of new student registration. Information will be included in the directory unless we receive this form, signed by you.

For more information on sexual offender notification, please visit the State of Rhode Island Parole Board and Sexual Offender Notification Unit website at <http://www.paroleboard.ri.gov>.

Armed Forces Recruiting

To: Parents/Guardians of 11th and 12th Grade Students:

Federal Law requires school districts to provide the names, addresses, and telephone listings of junior and senior class students to Armed Forces recruiters. The legislation also includes a provision that allows parents to have their child's information exempted from that list. In accordance with the provisions of that legislation, if you do not wish to have the above referenced information provided to Armed Forces recruiters, please complete and return the form below.

_____ I do not want directory information released about my child.

_____ I do not want my child's picture to be included in any publication.

_____ At times, food is made available to classes from a source other than our food service provider or from the Career and Technical Center kitchen. Please check on the line if you do not want your child to partake of food brought to school from the homes of other students or from other sources.

_____ I am directing that information regarding my child be excluded from the list provided to Armed Forces recruiters.
